

A modern interior space featuring large, arched openings filled with marble tiles. The floor is covered in a large, multi-colored marble tile pattern. In the foreground, there are round tables and chairs with orange upholstery. A purple pendant light hangs from the ceiling. The word "IMPACT" is written in white capital letters across the top of the image.

The Polished surface enhances and promotes the brightness and vibrancy of colours. The natural surface gives concreteness and materiality to the graphics. **Digital Plus technology best expresses the graphic and aesthetic characteristics of the products, enhancing their technical and visual quality.**

The extraordinary depth stems from the brilliance of the Polished finish and the distinctive veins and shading, obtained thanks to perfect control of extremely high definition colour and the graphic design. This surface gives an effect of exceptional transparency and luminosity that enhances the colours, the protagonists of this collection.

* Determination of slip resistance of pedestrian surfaces; it does not coversports surfaces and road surfaces for vehicles (skid resistance).

** Anti-slip performance is guaranteed at the time of delivery of the product.

Suggestion for laying

- Considering the characteristics of this series we suggest:
- 2 mm joint
 - For the sizes 30x60 lined up laying or 3/4 staggered laying is suggested
 - For the sizes 60x120 - 90x180 lined up laying or 4/5 staggered laying is suggested
